Re: June Monthly Report

During the month of June the West Lafayette Police Department responded to 1,997 calls for service. Calls for service during the same period in 2012 were 1,666. Most of the calls during June 2013 were related to crashes, alarms and vehicle lockouts. Officers did work 12 drug cases during the period.

Due to the majority absence of the student population, WLPD Patrol officers had time to conduct outreach work to the community in various forms. Bicycle patrol was assigned to the local baseball fields on several evenings and we also patrolled the Village during the lunch hour.

The D.A.R.E officer conducted a prescription drug collection and 130 people attended and left 200 pounds of medication to be destroyed. Without this program medicine is often flushed and ultimately ends up in local waterways.

Officer Slifer spoke to a pre-school group about personal safety. The basic goal of speaking to small children is to familiarize them with police officers in order to make them comfortable approaching one should they ever become lost or need assistance in some other way.

WLPD, in conjunction with WLFD, LPD and LFD, worked crowd control at the Taste of Tippecanoe.

Neighborhood Resources and Criminal Investigations were very active during the period as well.

Respectfully submitted,

Capt. Gary Sparger, Chief Dombkowski
